

Carmen Lamanna Gallery

P R E S S   R E L E A S E

Since the death of Carmen Lamanna on May 23, 1991, the Lamanna family has been trying to find a successor to assume directorship/ownership of the gallery. We regret to announce that the family has been unable to find someone to continue operations and as a result are forced to close the gallery.

Effective November 14, 1991 our exhibition program has been suspended, however viewing is available by appointment. Until an official closing date is announced all correspondence and inquiries can be addressed to our current location. [telephone (416)363-8787]

The Lamanna family would like to thank all those who have been associated with and supported the gallery over the past 25 years.
